Description

Front-end
Junior-Midiweight
Developer

Front-end Junior-Mid Weight Developer

Job description

Based: Shoreditch, London
Level: Junior-Mid-Weight
Salary: Undisclosed
Contract: Full Time
Applications Close: 20th March 2019

We are looking for a Junior-Mid Weight Developer with experience in both front-end and back-end development to join our team.

You must have a keen eye for design, be passionate about the code you write and naturally like to keep yourself up-to-date with new technologies and best practices.

In this role you will be working directly with our senior developer and the design team to help bring their designs to life.

We are looking for someone with 2+ years of commercial experience to join our Shoreditch based studio that works with clients in the fashion, design and luxury sectors.

Ideal required skills:

- Strong HTML5, CSS3
- jQuery
- PHP
- MySQL
- Wordpress (front and backend)
- Theme Development
- Webpack
- Experience in Sketch and Adobe Creative Suite
- Communication skills of the highest quality
- Organised and able to prioritise

Not essential but desirable:

- SASS / LESS
- Working with Git
- Laravel Blade
- Shopify (front and backend)

Please email applications with title Developer to: david@studiosmall.com
